Dear Donor,

I wanted to thank you for making it possible for me to attend camp this year. Camp Jörn means everything to me and has made me grow so much. I was a very shy kid when I was younger and I attended camp with my best friend for the first time 4 years ago. The next year she wasn't able to attend with me again and usually I wouldn't have gone without going with someone I knew, but I decided to go anyway. That was the best decision I ever made because camp has given me so many new friends that may be hours away from me, but are held very close to my heart. I will never forget all the memories I have made at camp and how much camp has shaped who I am today. Without your support I wouldn't have been able to attend camp this past year. I am very grateful for all that you did for me. ♥

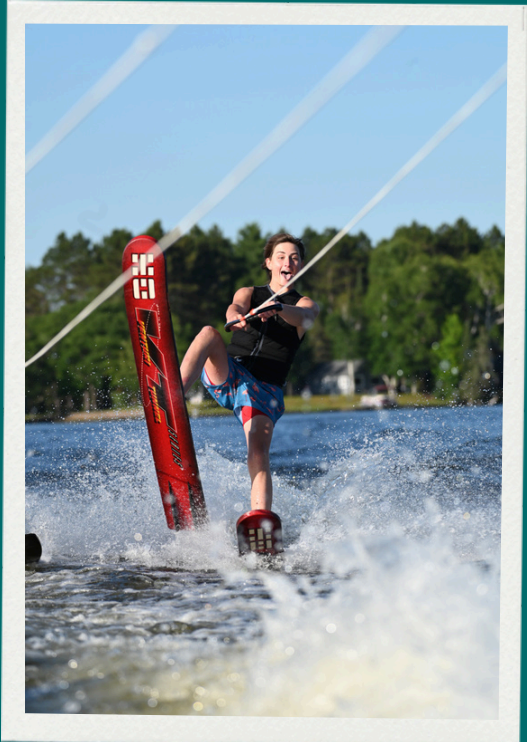

Thank you - sammie ♥

Dear Donor,  
Thank you for making this year  
at camp possible for me!  
I made many great memories  
this year and camp is always  
my favorite part of the year.  
This year I did teva, which includes  
a much longer trip, our trip  
was 36 miles long of canoeing!  
I also did many activities but my  
favorite was waterskiing. Camp is  
a very special place to me and  
I'm glad that I could experience  
it with the help of... YOU!  
Thank you very much!  
From, Connor
